

USE YOUR SNAP/LONE STAR CARD AT THE KELLER FARMERS MARKET!

1

Go to the Information tent where the Lone Star Card EBT machine will be set-up

2

At the booth use your SNAP/Lone Star Card to purchase as many \$1 or \$5 SNAP scrips as you'd like. These scrips will act as cash at the market

3

Use your scrips at any participating vendor booth

What to do with leftover scrips? Scrips don't have an expiration date. Keep unused scrips and use them next time you shop at the Keller Farmers Market. Unused scrips may also be exchanged for a refund back onto your Lone Star Card
